PLEASE READ BELOW REGUARD RETURNS:

• On occasion, we will sometimes approve returns on special order items. This is a case by case basis and will need to be scussed and approved with your original sales person IN WRITING, If a return is approved for a special order item. A refund e provided once the part is returned and inspected by our facility. The customer is responsible for return shipping and will not gible for a return label from us. The return will also be subject to a 20% re-stocking fee and any original shipping costs will nc refunded, NO EXCEPTIONS!

Special order items take an average of 10-14 business days to arrive to us from the factory in Italy before being shipped out of our California facility. This is just an estimate and can vary based on customs clearance and factory processing times.

• Once special order items arrive to our facility, they are typically shipped out within 48 business hours. However, this is just e stimate! All items will be shipped via standard ground in the order they are received. If you need your items expedited, you m express this in writing to your original sales person and pay additional fees at the time the order is first placed.

If an item is unavailable from the factory, we will let you know as soon as possible. Sometimes, the factory will not let us knos part is unavailable until our shipment arrives in the above mentioned time frame.

Shipping & customs fees on all special order items is to be determined once items arrive to us in the USA and will be billed o EPERATE INVOICE. This is done to ensure customers are not over-charged for shipping. We try to get the best rates possil and only charge customers the exact rate their order costs to be shipped and to clear customs. If you would like an estimate ! shipping prior to ordering, you must contact your sales person directly in writing.

Core returns must be completed within 20 days of purchase of the same part in order to receive account credit

All returns must be received within 30 days after delivery any issues or problem must be done in that time frame
